“ Doug and Cheri, (Message from Buck Dennison's youngest daughter)

I would like to share the greatest memory that I have of your mother. And, that was her laugh and her motherly ways.

I spent a week with all of you back in the summer of 1980. Your mother picked me up from the airport...knew it was her, the smiling and waving left me in no doubt she was my Dad's sister-there to pick me up. My luggage was lost and being 12 at the time, I was worried about what would I do about pajamas and a toothbrush. She made sure that I had both-and more before bedtime and all was all.

All these years later, I still remember her smiling, waving, and laughing.

This is exactly how I will say good-by to her as I look to the Heavens.

May time ease your pain and make the memories all the more fonder.

My thoughts are with you, Much Love, Tricia (Dennison) True

“ Char always meant very much to me. I am sorry to hear about your loss. She was always there to help lend a hand no matter what was needed by me or any one of my family. She meant a lot to my grandmother also before she passed. Char will be missed, but she is happier now in Heaven than she ever could have been here. I will never forget the conviction in her voice when she sang. If you need anything you can feel free to get ahold of us. Love you guys.
