“ *Frances was a wonderful neighbor. She always welcomed us at her door with a sincere smile and great conversation. I remember our Oktoberfest party where she insisted on helping-she graciously peeled about 20 lb of potatoes! Then her 90th birthday at Neil and Helen's, we had no idea why neighbors were gathering because Frances wanted us to enjoy each other's company and not celebrate her birthday! Our thoughts and hearts will be with you as you celebrate her life and we believe her 98 years was full of celebration.*

“ *Frances and Ed were dear friends of my parents. In recent years, Frances has been my friend. I could always count on her sounding happy to hear my voice. She was funny, smart, involved, wise, realistic. i will miss her so much!*
