“ *Dear James Family, I'm sorry to hear the news of Frank's passing. I have warm memories of the time that I worked for Frank and Mrs. James on various construction projects and around the family home in the late 1970's and early '80's. Frank was a kind and easy going gentleman and I appreciated knowing him! I'll trust the Lord to hold everyone close during this time of difficult adjustment. Carney M. Layne*

“ Hello Bill and Frank, Just wanted to let you guys and your families know how much we thought of your dad. He was always jovial and positive when I saw him, even when I know he was struggling with arthritis or other aches and pains . He took the time to talk and to listen. I enjoyed being around him on golf trips and just randomly out in the community. Good man for sure. We could use more like him. I am happy that he lived a prosperous life and was able to spread his good joy for so long.....Hope you are doing well during this sad time. Our sympathies to you and yours..... Don H.

“ I remember as a kid going to Frank and Nancy's house. We always had a good time with my brothers and cousins. You could always tell that we were there by the mess we would leave. Those are fond memories. I am sure Frank will be missed. May God comfort you in this time of sorrow.
