“ *Dear Yingling family, I just wanted to express my sorrow at Gordon's passing. I hold him and Joanne responsible for being with Matt for over 35 years now! Gordon was a gentle giant. He was always kind and soft spoken, and he expanded my vocabulary while I worked at King's Table. One day, while preparing for the evening rush, I was walking to the back of the restaurant. Mr. Yingling, as I knew him then, was coming from the back, through the swinging doors with that cute half grin of his. He looked at me and said, "Be careful back there; it's a blivet." "A blivet?" I said. "What's a blivet?" He smiled even bigger and said "It's 10 pounds of s**t in a 5 pound sack!" and just kept walking. I still use that term today! Thanks for sharing you wonderful husband, father, grandfather/great grandfather with me. God's peace, Robin*

“ Dear Dr. Yingling and family,
We wish to express our deepest sympathy on the passing of your beloved father, Gordon. You have seen many pass before your eyes, however, it is most difficult when it's your loved one. I knew your father before knowing you when I was calling on him with Marriott Food Service at MU. Mr. Yingling was a wonderful person to work with as a customer. You were there to comfort us when my mother, Nazik, passed in 2006. It was a difficult time, but with the help of people like yourself and God's comfort, we were able to endure through that difficult time. May God bless you and your family and He grant you peace and comfort.
Sincerely,
George and Gloria Hanna Millard and Betty Price

“ Joanne, Kevin, Elizabeth, Susan and Jennifer....I am very saddened to hear of Gordon's passing. I have so many fond memories of being a part of this family while growing up. Some of my most favorite memories come from working with Mr. Yingling and the family at the "Kings Table" restaurant. Those were good times, even if he did occasionally get a little irritated with us for goofing off! May Gods grace carry you through this difficult time.
