I am grateful that I got to know Freddie over the last decade. Her many enthusiastic contributions to the MU Lifelong Learning Program and our meditation and mindfulness group have enriched my life in countless ways. I will treasure the memory of her generous spirit, love of nature, infectious laugh, and beautiful smile. Charles and Cheryl, my thoughts are with you.

My deepest condolences and prayers in your loss. Very professional secretary and always smiling. Called me "coach" when she sought my help when I worked at the Y after my retirement from Cabell Midland where I worked with Charlie in the Science Department as teachers,
