

Frederick Robert "Fritz" Hubbard

February 10, 1939 - August 17, 2020

Frederick Robert Hubbard, 81, of Huntington, WV passed away on Monday, August 17, 2020 after a short illness. Frederick, affectionately known as Fritz to his family and friends, was born on February 10, 1939 in Chester, WV to the late Sarah Goppert Stoffel and Beamon J. Hubbard. Fritz was a fun and loving husband, father, grandfather, and brother. He served in the Army Reserve and worked in the pottery mill before he married his wife, Susan Horger, and moved to Huntington, where he graduated from Marshall University with a degree in education. He taught 5th grade and physical education at Cammack Elementary for 8 years. He also served as Personnel Director at Huntington Hospital and was the Director of the Barboursville Veteran's Home. He retired from his position as an inspector at the ABC commission. Following retirement, Fritz accompanied his wife, Susan, to countless democratic political functions, where some would say he was the life of the party. Fritz was a member of the Ancient Free and Accepted Masons, AF&AM, Minerva Lodge #13, Barboursville, WV, where he served as treasurer and trustee. He was also a 32nd degree Mason and member of the Valley of Huntington Scottish Rite. He enjoyed the outdoors and loved hunting, fishing, and camping, which he passed on to his sons and grandchildren. He always had a smile for everyone and the most popular seat in any room was the one next to his. Fritz is survived by his loving wife Susan and his sons, Dr. David Hubbard and his wife Dana of Morgantown, WV and John Hubbard and his wife Michele of Medina, OH, along with his

grandchildren, Alex, Erin, Madison, and Zachary. He is also survived by his two sisters, Gloria and Jerry. Considering the current pandemic, there will be no service or memorial. The family will hold a private celebration of life at a later time. In lieu of flowers, memorial donations may be made to the Cabell Wayne Animal Shelter at www.hcwanimalshelter.com/make-a-donation. Arrangements are in the care of Henson and Kitchen Mortuary, 6357 East Pea Ridge Road, Huntington, WV near Barboursville. “ *Fritz was my second father growing up. I'll never forget backpacking the Sods and Cranberry. Though we lost touch over the years I still think about him often. Rest In Peace (not really that wasn't Fritz's style). Beers up! Jeff Berry*

“ *I've had a lot of great teachers but Mr. Hubbard was hands down the best teacher I've ever had. 5th Grade - 1971*

He took me and another classmate hunting one time and taught us how to shoot a 12 gauge. So many terrific memories!

RIP Mr. Hubbard

“ *Mr. Hubbard was my fifth grade teacher at Cammack Elementary back in 1971; one of my favorite teachers ever and a great example to us at a very impressionable age. God bless and send peace and comfort to the family; rest to his soul... they don't make them like Mr. Hubbard anymore.*

“ *I am so very sorry to hear of Fritz's passing. I cannot imagine the grief Susan and his children and grandchildren are feeling. Just know you are all in my prayers. I considered him a great friend and Johnny and I will truly miss him. He supported me everytime I ran for office and even drove me in his truck during parades. But what I will remember most is his irresistible personality that was larger than life and drew you into his circle. You never knew what he would do next and get you to do with him. The memories I have of him at Democrat meetings will always bring a smile to my face. Countless people will miss him and the community that he supported in many many ways will not be able to replace him. My heart breaks for his family and friends.*

We lived next door to Fritz and Sue for 35 yrs and you couldn't ask for better friends and neighbors. Will miss seeing him sitting on the front porch for hours and they were the favorite house on trick or treat nite. They always gave big candy bars and most of the kids made 2 or 3 trips to there house. His loss will be felt by many. GOD BLESS THE FAMILY.

“ I am sending my sincere condolences to Susan and family on the passing of Fritz, one of my best friends from high school days at Chester High School. What a kind, sweet, and humble friend one would ever want to know. Fritz was always there with his concern and his caring personality for anyone and especially his friends. A life long friend of Arch Pritchett, my late husband, he was the best man in our wedding.
Rest In Peace, my friend,
Jean Pritchett
