“ I am so sorry for your loss. My heart hurts for all of you. I have fond memories of Gary from my childhood until now. Gary was such a warm, helpful person and always showed interest in everything you had to say. He always had a smile and a laugh to share. As a child, I remember how much he loved his peanuts and watching Westerns. To this day I wonder if that is why I like Westerns. I also remember how hard he worked to support his family. I am very grateful for the time I got to spend with him about a year ago when he was in the hospital. I had such a good time talking with both of you. Gary meant so much to our family. I am so sorry to see him leave this earth, but I'm so grateful that he is safe and sound in the arms of Jesus.
