“ *To the Gary Fonduk family. I don't need to tell you how great of a guy Gary was. I bought several Honda's over the years and it was always easy. I can remember when he got hooked on fishing. You needed to plan for some extra fishing stories. I'm very sorry for your loss. Sincerely, Parker Ward Jr.*

“ *Dear Charmaine, Darrel & Family members, Please accept our sincere sympathies. From dirt bike hill-climber, motocross racer, B'Ville Football Star (Quarterback), businessman, and Friend to Father & Grandfather; Gary did it all.....A life well lived. My fondest memories of Gary are of our hill-climbing competitions at the 'Desert,' several years before our legal driving age. Kevin Means (Class of '75) and I showed up with old standby 2-strokes and Gary would always have a new 4-stroke Honda, Honda, Honda.....and of course, would always beat our asses. May you and your Family find Peace knowing that he was well liked because of his big heart and is no longer feeling pain. RIP Gary Fonduk. Love, Pat Patton*

“ I have known Gary most of my life or as long as I can remember. He had a large personality and an even bigger heart for friends and family and living life.

Good times with the guys, riding motorcycles, adult life experiences and more recent high school friends "reunions".

I bought my very first brand new car from Gary, a 1978 Honda Prelude. The first year of that model in Bronze.

It still ranks as one of the greatest cars I ever owned and brings back many memories.

He will be missed and thought of every time any of his many friends get together and raise a glass to salute to a true original.
