“ *I remember Uncle Glen was always such a friendly, happy guy. His smile was infectious and you couldn't help but return it. He always had this twinkle in his eye and I attributed it to his love for all his family. His actions and demeanor were always an example of his Christian lifestyle. He made me want to be a better person in Jesus Christ. I will always remember him.*

“ *What fun it was when Glendon and family came to Munday! I can just see Aunt Sis at her table shaking from laughing at his repartee. He was so absolutely charming with his superb intelligence, dry wit and infectious joy of life. A truly special time were each of your visits. I regret that those times were so few and far between. God bless you all, dear ones, am sad we are so far away we never got to meet and visit with most of you, his precious extended family. Love and condolences to all. Karen*
