“ *To the Finley family,
I am very sorry to hear about the passing of Harold. He was a wonderful man and I loved to come visit at his house. He was wonderful to the kids and treated my son and I like part of the family. I will miss him forever but I am very grateful to have met Harold and his family. He is now at peace and I know that Hazel was waiting for him at the gates of heaven. Please know that you are all in my prayers and I am there with you in spirit. Keep the memories close at this hard time and know that I love you like family. I will miss Harold very much.
