“ *We would like to express our deepest sympathy for your loss. The loss of someone close is difficult to bear. God promises a time when death will be no more and this is found at Revelation 21:4 which read: And he will wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away. I hope this brings you some comfort.*

“ Rick, I am so sorry to hear about Hub's passing. I am Richard Crow's daughter and I am your cousin. I am the baby of all of the cousins. I met you when your Mother passed. Debbie and I didn't know that he had passed until it was to late or we would have been there with you and the family. You are in my thoughts and prayers. Now they are all together up there and I am sure that they are all happy to be together again.
