“ *The world will be a lot less interesting place without you in it. I remember many good times working with you for 5 years at Craycraft's. Truthfully, there will never be another one like you. You will always be alive in the memories of everyone your life touched. Bless your wife and family.*

“ *During our first year together, my husband and I spent quite a bit of time with Herb. He was a good man with a kindness that is a rarity in this world. He was not having an easy time in his own life at that time, but he was always good to us, especially to his nephew. We are quite happy that he had found someone to love him the way that he deserved to be loved, even if it was only for a short time.*

“ I was deeply saddened when my mother called me today to tell me about Herbie. I grew up with Herbie on Paddle Creek in Catlettsburg and will always remember and cherish the memories of that time. He was like a brother to my sister, brother, and me. I will keep the family in my thoughts and prayers.

“ Herb used to be my youth leader at England Hill Freewill Baptist. He was a wonderful friend and awesome youth leader. He was inspirational and always had a good testimony for the Lord. We shared some very special times in youth group. One time in particular, we went to deliver christmas food baskets and sing christmas carols to various neighbors in the community. Herb always encouraged us in our walk with God. He will be sadly missed.

“ To the family of Herb Chaney,
Herb Chaney was a Second cousin of mine, a co-worker at Foodland. I always liked looking at the schedule to see if Herb was going to be shift Manager because we had some good times at Foodland. We had many great memories. These memories will always live on. My deepest sympathy to his Wife and other family members.

“ My deepest sympathy goes out to all of you. I just lost my dad 2 months ago, so I know you are hurting. Herbie was loved by everyone in Catlettsburg. He was always a gentleman who used good manners and showed me respect. Almost all my family lives out of town, but I will let them know about Herb's passing and we will all be praying that God will fill your hearts with comfort, peace, and love.

“ To the Family of a wonderful Man;
I only knew Herb for a few months, working at Info-Cision from May 2006 to Jan 2007 in the NRA area. I enjoyed working with him, when the job got to being ruff at times (& what job doesn't), he would always have some encourageing words and inspire me to tuff it out. I will always remember him for his encouragement and strength.

“ I worked with Herb for 10 years. He was a good friend of mine and also a great person. He had a great sense of humor and he could make me laugh when no one else could. He brought joy to everyone he was around and he will be sorely missed. May God rest his soul.

“ *To The Family:*
We send our deepest sympathy to the family in this sad time and in your loss. I am reminded and looking and thinking of those days gone by of our times with Herb at the England Hill Free Will Baptist Church and his wonderful testimonies and his singing and his involvement with the youth. Seems like back then at England Hill he was always at all the services and when it came time for testimonies, Herb always had one and he loved to sing. Those special days will always be remembered by us. They may be gone but they will never be forgotten. It's been many years since we have crossed paths as to our moving to another church, and moving from Catlettsburg to the County, etc. But, we truly will miss him and we know that you the family will likewise miss him. May God be with each of you and comfort you in this special time in your lives. God Bless You!
