“ I'm so sorry for their loss. Mickey was a great lady who never met a stranger. I knew her from church growing up. She was always there when you needed someone.

“ So sorry to hear of Micky’s death. She was a kind, sweet person. I was in the middle of 9th grade when my family moved to Huntington. Micky made me feel welcome. We spoke by phone a few weeks after the 50th reunion and reminisced about those times. She also spoke about her love of family. She will be remembered

“ Micky meant so much to me, she was my mom too. She mothered all of us "Highlawn" kids and loved us just like her own. She and Randy raised two of my best friends, both wonderful women who I'm proud to have in my life. I will remember her always as someone who loved with her whole heart, a PTA mom, a Christian woman and most importantly, my friend when I needed her to be. My most heart felt condolences to the whole family, we will all be together again one day in heaven. She'll be there waiting with her giant smile and a huge hug!!! ❤️❤️❤️
