“ *Dear Larry, Gigi, and Nancy, I'm glad that your mother has left her body behind and gone to heaven to be with your dad, Bebe Sue, Laura Beth, Jody, and any other loved ones who went before her. God sent her to my mother after Jody had her stroke and she made such a big difference in my parents' life. All of us loved and appreciated her. May God send comfort you during your time of grieving. Love to all of you. Peggy*

“ Larry, Nancy, & GiGi, It is hard to find the right words to express our sympathy at this difficult time. May the Lord help each of you and your families get through the difficult days and weeks ahead. All of you are in our hearts and prayers. I had fun times being at your house as your Mother was always so easy going and let us play! Playing is not something a lot of kids get to do enough of these days, so I am so glad your Mother let us just play!(fw).....Love
