This showed up in my fbk.memories today.Irvin and I in our younger days also and Irvin enjoying our grandkids that he and they were so crazy about each other since the day they were born.Also pics.when he was little and pics.of some of his family and pics of many of his BASF Chemical Plant aka Flint Ink Coworkers and a pic.i took of him putting his Ranger boat in the water and much more.Its still so heartbreaking and hard to take but I wanted to keep his good times and his legacy forever alive and all the great and kind and caring things he done while on this earth.There is much much more but they all wouldn't fit on this video.Its not goodbye it's we will see you again later when we get there.Love always and forever Joyce Yvonne Thompson and kids Yvonne Thompson Hammond, Bobby Dempsey, Charlena C.Dempsey, and your 2 grandkids Carsun James Dempsey and Alayna Madisun Dempsey that you absolutely adored and they were absolutely crazy about you their Papa Irvin.Thank you for sharing your life with us for 25 years.
