I never had the privilege of knowing Jackie well, we went to Trinity Freewill Baptist Church and i remember very well when he came he played that piano like no one I had heard in a very long time (oh how I've always loved listening to someone play piano or any instrument with that much God given talent).. I just had to go shake his hand and tell how very much I loved hearing him play and to thank him for playing for the choir.... as I was coming down from choir I grabbed him and gave him a big ole' hug.... he was so happy and filled with the spirit. Lord I just knew if I'd ever get the chance he'd be someone I'd like to get to know better for laughter, positivity (which we need more of in the evil world)... sorry so long just a blessing and honor to one of my own brothers in Christ whom I'd had never met... So sorry for your loss, I have no doubt he walking the streets of gold... can't wait to meet his smiling and happy face again!

“*We have loved Jackie for over 30 years, he was not only our church piano player but a dear friend. He played many songs for me when I sang at church, our favorite being “At the feet of God” Can we only imagine being at Jesus feet when we meet him face to face! Jackie is rejoicing in his eternal home where he strived to go when life here was over. Prayers of comfort and strength for the family today and days to come. We will see you again Jackie and rejoice evermore.*

“ I have known Jackie all of my life. He treated me like a little sister. Jackie was always concerned about how my family and I were doing. He as also concerned about my soul-asking me if I was still going to church. If I responded no, he told me that I needed to get back in church and that God needs workers. Heaven gained an angel.

“ You and your family have our deepest condolences. We met Jackie
at Billy's Market in Guyandotte when our little girl was a baby. We
would shop at Billy's Market because it was close to our apartment.
When we moved to Lavalette, we would see Jackie at a neighbors
house and would run into him at Walmart and we would talk about
the old times and how we knew each other. Jackie was a very nice
man to us. -- Mr. and Mrs. Donald Jenkins and family

“ Van and I so enjoyed the time we spent with Jackie in the car as we went to church. He was an easy mark for a debate all I had to do was pick a subject I knew hw was adimat about and say the opposite of what I knew he would say. One in particular was women wearing " britches" to church. I told him Jesus wore a dress..... he would say " thats a toga not a dress. I could prolong that debate all the way to church. But....everytime he got out of the car he would say " thank you...thank you.....thank you....love ya'll " and we always said we loved him too. We will miss him always but we know where he is and we know how to get there ! Jackie tell my Daddy I'm coming...
