“ To the family of Jackie, so sorry to hear about his passing. My family and I became acquainted when he worked @ Hudson's in Chesapeake in the 70s and when we were neighbors in the early 90s. Please accept my deepest condolence.

“ I worked with Jack for years at the Red Cross. We all loved and respected him as a matter of fact we still say we haven't had anyone that could fill his shoes since he retired. I just wish he could've had a more enjoyable retirement without all the health problems. My deepest symapthies to all the kids and grandkids, I know he loved you all.
