“ I've only seen Jimmy once in the 35 years since we were in high school together but he certainly left a lasting impression! Always kind, always funny. I'm so sorry we didn't get a chance to grab that drink and do a proper catch-up. But I am grateful that be your friend!

“ We have been friends with Jimmy for some 25 years. Always enjoyed his company and happy to give him a ride home anytime that we were out. He would always have us stop by Little Caesar's to get a pizza and extra spicy sauce. He would always break out in song when he heard the "Car Wash" song. We knew him as a friend with a heart of gold. Going to really miss him.

Love ya Jimmy,

“ Paula & Kay,

*I'm sorry about Jimmy! I remember when he was young and the three of you would be walking on 6th Avenue together. When my dad died, Jimmy was kind to mom whenever he would see her getting out of her car in alley.*

*Always remember the great times you had with your brother!!*

**Don Wilson** - January 16, 2021 at 12:11 PM

*Yes, God did take him home. However, too quickly due to covid. He was my closest, dearest, best friend. It was his time apparently but please let us mourn and show empathy. It is not so cut and dry.*
