“ *I grew up next door to Him for many years. And he was instrumental in me becoming a pastor.. My wife and daughter are as heavy hearted as I am.. My dad is missing his neighbor.. We visited him in the nursing facility until the virus closed it down... Many happy memories of him...*

“ *So very sorry. Jim and I were Pen Pals when he was at the Naval Hospital at Bethesda back in the middle 50's. When my High School class was on their Senior trip to Washington D.C. we spent some time together as he toured with us. He had also spent a weekend with my family in March 1956. We reconnected on Facebook a few years ago. I will miss the phone calls. My prayers to all the family. Martha Manbeck. Cadiz, Ohio.*

“ So sorry to hear of Jim passing, I knew he was ill, he was one of the first people to befriend me when I moved to the Charleston area and we both worked at than Employment Security. Kevin I remembered you as a little boy , I remember taking you to the state fair and we rode the roller coaster. It got stopped on top and you screamed and cried and tried to go under the bars and it was all your dad and I could do to hold you in. I sore I would never take a child on a roller coaster again and I haven't. I know your dad was proud of your later accomplishments in your life and talked of you proudly. It's hard to loose a love one and our prayers and thoughts are with you. Frank I remember you and Kathy from our water works out at the Ymca. and was in shock when you told me Jim had become a pastor. May God grant peace and comfort. Joan Frisby Stiltner

“ Becky and Tom,

We are so sorry to hear of Jimmy's passing. He was a long time friend of my aunt and mother, "Lo" and Judy Crawford. They always spoke highly of him and of course you know, they loved you all dearly and so do we. Keeping you and the family in our prayers.

“ Our condolences to the family. Although I did not know James well, he was always telling me about the history of the Falls and our house there. I always enjoyed history and he seemed to be very knowledgeable. He will be sadly missed by the community and the Mocks

“ Frank and Becky...so sorry to hear about Jimmy...He was one of my oldest friends...we started to school in the first grade at Oakland on the same day. Our neighbor, Mildred Bayes was our teacher. I had not seen him for quite a while and did not know he was so ill. Whenever I ran into him...in the grocery store or wherever...we always talked about our Smithers memories. Frankie...remember our adventures as Captain Marvel, Mary Marvel, and Capt. Marvel, Jr....those were good times! I will certainly keep all the family in my hearts and prayers in the coming days. Love, Edna
