“ My fondest memories with Norton was always at classic billiards playing pool and just hanging out, he was the greatest friend to have and an awesome pool player. Like I've told many his sarcasm and blunt personality was the best and it always made me laugh he was such a character and loved by many. I will forever miss you Norton, pool will never be the same! My condolences to the family, prayers that you find peace and comfort in this time. May God bless you all!
