“ *Sister Janet Mounts was a wonderful lady whom our family loved and highly respected! She and Kenny helped so many churches over the years through their selfless giving of both their personal time and finances but also their business time finances. They helped our family and church when the Barboursville Apostolic Church built in 2000 insuring that the new building would have new ceiling tile and grid and even Kenny installed the ceiling grid for us. I also know of many other giving instances with so many churches. When I was involved with the UPC District Youth Camp, I personally witnessed numerous times that they donated both merchandise and services to the campground with new ceilings in the tabernacle and new floor tile in the dining hall. The essence of what I'm saying is that they understood the value of having a servant's heart and being a giver. She will be missed but her legacy that she built with Pentecostal Truth Ministries will carry on for generations to come. Love and Prayers, Fred, Amber, Annalise (Nik Walker) and Arabella Kitchen family.*

“ My sister-In-law, Janet Sue Mounts, was a wonderful person, inside and out.

I lost my husband, Johnny, her brother, many years ago. I didn't know Janet that well because of the distance between us. But in the past 15 years we have become very close.. I loved her very much and am sure we will meet again on that Great Day . RIP. SWEET LADY

“ My deepest condolences to Jana and Teddy, all of your family during this time of mourning. She was an amazing giant in my eyes so many lives she has impacted and touched for the kingdom of God. Because of her and the bus ministry I was able to encounter Jesus. I will never forget the very first time I came to 25th St (NBAC) in the old sanctuary, I had never been to a Pentecostal church and I walked in you could feel and see the amazing presence of God. I didn't know what it was then but soon learned it was Gods sweet presence. I remember your mom with her big Pentecostal updo was shouting across the platform with her sister worshipping God. I have so many memories of how she touched my life personally. She gave when no one was looking but God and she loved on the unlovable's from the other side of the tracks. Well done I can hear the Savior saying.... I can remember her singing from deep within one of my favorite songs Just write all down ever time Jesus fails you..... Jesus never has failed and the book has many empty pages through every trial or test that song always came to my mind over 40 plus years now since I first heard her sing it. ☐❤️🙏🕊️
