“ *Jason was great friend to all who knew him. Jason had the biggest heart and found his biggest joy in making others happy. A very special and rare quality that very few have. He worked so hard to make others happy. He was very talented Carpenter and his work showed forth it in so many of his friends homes. Jason's memory will never be forgotten. We love Jason- Hannah & Jarrod, Lauren, Lexi*

“ Jason was one of a kind. The one thing I will always carry in my heart is his smile. He had a great smile, his whole face changed when he smiled. It would just light up. He will always have a special place in my heart. Fly high our child and laugh often.

“ I had the pleasure of calling Jason my son-in-law for a short time. Jason was a very loving and caring person who put others before himself. He was proud of his family and his boys were his pride and joy! My thoughts and prayers to all his family and friends at this most difficult time. "Jason Grant" as I most fondly called him will be missed by all who knew him.

“ Jason was a sweet caring friend. I still (after all these years) have his senior picture in an album!! I hate this loss. I hate it for his mother and his boys. I hate it for all the friends he has left behind with questions. He was so kind to me and so many others in HS. Then he served our country with bravery and honor. This was an amazing man. I loved that he kept the same haircut all these years 😊 I am praying for his mother and sons. And hugging you with all the love I can! Be at peace Jason... you were and are so loved.

My family send their condolences as he was a big part of us and in our lives. He has alot of brothers that are hurting by his passing.
