“ *Dear Bari, Becky, and Bill, My memories of your family, especially your mother, are precious indeed. She was such a beautiful lady! She played hostess many times to groups of teenie-boppers and made her home a second home for some of us girls who enjoyed "slumber" parties on the 2nd floor. Bari, I've held you in my heart all these years as one of my closest friends. It's not that we have been together since, it is for what you were to me in those important growing-up years. The confidences, the trust, and of course, the fun! You are your mother's daughter. God bless you all. My prayers for your comfort will be ongoing. Jesus, Comforter. I live in Huntington (same house that you remember from Meadows Elem. days), but I'm in Wilmington, NC for a few days to celebrate 2 year old grandson's birthday. I hope to see you and give my condolences in person. Love, Becky*

“ *Bari: I think of you often and would love to see you sometime. I remember that your Daddy was the "best pitcher" on my Daddy's softball team, "Tiny's Market," way back when we were both very, very young. I think they won the state championship one of those years. Your mother was always so welcoming to all of your friends, when we were growing up. I know your loss is a great one. I have you and your wonderful family in my prayers. Love, Chris*
