“ *Jeannie Marie was my daughter, she was a friend to everyone. She was a kind soul and always gave a home to her friends if they needed a place to stay. She called me nearly every day to see if I was ok but she her self wasn't ok. She was on oxygen 24/7 due to her lungs being damaged in a trailer fire that she got blocked in. She trusted every one sometimes she was taken advantage of. There's not a minute or hour of the day that she is not on my mind. I hope she is at peace now but wish she was still with me. Love you always daughter.*
