“ My heart felt sympathy goes out to Jenny's family. I had the pleasure of working with her for years at SMH. She was quite a blessing. I remember her love for cats and her collection of Garfield. She loved her family and talked of them often. She was a very special lady. Dear God, be with the family at this time of their loss and heaven's gain.

“ Jenny will be missed. So many of our classmates have passed on way too early. Jenny and I grew up in Highlawn along with Nancy Craig. We walked to school together most of our school years. I wish I had been able to keep up with Jenny and other close friends after graduation, but traveled a good bit and just lost touch. I am so sorry I cannot come home for her visitation. With my deepest sympathy, Jackie Sevy Kyle

“ To Ruth Ann, Sue, Greg, and family:  
I was saddened to read of Jenny's death today. She was such a wonderful person to know and to work with. Even though we were in different areas at the hospital, we would see each other from time to time and have little chats. She has had such a difficult time for so many years.  
Please accept my sincere condolences. I will remember Jenny and her special qualities.  
Sincerely, Sandra Strom
