“ *Jerry you were one of my best friends. Every day I wonder what you are doing and what wondrous sights you are beholding. You are the Blessed one, to be in the Presence of our Saviour. You will be missed. I prayed for a miracle for you and you got that miracle. Even though I didn't know what it would be. Until we meet again.*

“ Keith worked with Jerry at InStore Services, and he quickly became a dear friend to our family. Jerry was instrumental in helping Keith and I begin to attend church regularly at Mint Hill Baptist. He was bright, funny, loving, and his most cherished role in life was being a grandfather. Jerry, you made an impact on our life, and we will never forget you! God Bless to the family. “ Kathy, I am praying for you and your sister and your entire family right now. My heart goes out to you because I know you're burdened with the loss of your father. I remember reading all of the funny notes and cards that Papaw sent Sarah when we were in college---I think he actually took us out to eat once when he visited Raleigh, and he was crackin' jokes the whole time. You are very loved.

God bless, Sayre

“ I worked with Jerry at SunGard from 1986 to 1994. He was the funniest, craziest man I've ever met. His heart was the size of Texas and he loved talking about his daughters. I took Jenny to get a prom dress one year because he didn't know where to go and he wanted her to have the best. My thoughts and prayers are with his family. How blessed you have been to have this wonderful creature touch your lives. God bless and peace be with you.

“ Jefferson Family,
Tim and I would like to express our most humble sorrow for your loss. Jerry was a wonderful man and a great friend of ours. During the time we had to spend with him we learned how much he loved his family and God. For that we are truly thankful. Jerry will remain in our hearts forever, may God grant each of you peace during this difficult time. [Numbers 6:24-26] Sincerely, Tim & Amy Peak
