“ *Dear Steve, Chad and Stephanie,
Our deepest sympathy to you and your family on the passing of Joan. She never failed to have a smile and a kind word during our times together. I know she cherished the “St. Joe” days we shared together with the Donahoe family, and we talked about those days many times. She loved and cared for her family, and was always there during your “kidney stone episodes”. She made my time with the Park Board such an easy job, because she had everything under control. She is now at peace with the Lord, and she will be remembered in our prayers.*
