“ *I loved Johnny. He was always sweet and kind, a welcoming smile when he saw me. My heart breaks that he's no longer with us. Love to Mike and Mary and the entire Fairburn family*

“ *Johnny Brent is loved by many. He had a quiet charm and a smile that could light up any room. Johnny's nature was so kind and gentle yet he'd protect and defend any of his own quickly. Johnny was my brother's best friend. The stories of mischief that always seemed to follow them along with Sis. Mary trailing behind trying to keep them from it, will always make me laugh. Oh, if Highland Avenue could talk...that street knows some stories. Some things we will never understand. But what we can understand is that every single person that knew Johnny was blessed to have known such a kind soul because in the world today people like Johnny are few and far between. Thankful we crossed paths. Thankful to know such a great family who love and care for one another unconditionally.*
