“ I have so many memories of John. Like most of us he had struggles in his life. These past few years he was finally doing something that he loved. His life had improved 100%..He was happy and had taken steps to make peace with the people he had hurt most in his life. I will miss him all the days of my life.💙

“ This still is so unbelievable to me. I'm so glad he stopped by to see me a couple months ago when he came through Kingman. We went to Denny's and had a nice breakfast and chat. Got to see his truck and give him a big hug bye. Never thought that would be the last time I would see him. He was finally so happy, healthy and full of life. I was so proud of him and happy for him. My heart goes out to all of Johns family and friends. Especially his kids that I got to care for many years, and his mother which I seen almost everyday when she came to get John and Elijah from my daycare. It was an honor to have met your whole family when I did. Big hugs and love to everyone! ❤️ Crystle
