“ Rest in Peace John. There are too many memories from the 1980's to post here, but suffice it to say, we had some great times. You and your family are in my thoughts and prayers. Brent Kagan.

“ Dear family and friends, I was an uncle (by marriage) to John and spent a lot of time with him when he was young and was his biology teacher in a great class at Saint Albans High School. He was a great kid over those years and made many memories. I was truly saddened to learn of his untimely death. Weldon Burrows

“ John and I were friends during school and after. This breaks my heart to hear. He was a good man who loved his family. I wish I had words to comfort his family. He'll be missed by many because anyone who knew him couldn't help but like him. He was definitely quick on the wit and I doubt he knew a stranger. He always had a big smile to greet you. He loved his sisters dearly and he especially loved his daughter and granddaughters. He was a proud dad and grandpa. May you find peace knowing in time you will be united again. Prayers for his family.

“ *When I met John I was already a sister through his mother Judy. I will always remember his wit and how much he loved mother. I know you are on a new mission in heaven to get the family mansion ready including a comedy room because you missed your calling as being a stand up comedian. You are loved and will be missed. You are in the arms of your father now.*
