“ Donna, I am so sad to read of J.T's passing. You have always been one of the kindest, hardest working people I've known. And, I've always thought of you and J.T. as a team. I have no words to lessen your pain. I know though, that because of your kindness you will be surrounded by many many people who will feel privileged to show you some of the love that you've always shown them.

“ Personally knowing J.T. Mayo (and the entire Mayo Clan) from my youth to adulthood has meant to me a God given honor and privilege. I saw in him a gentle, caring, hard working, responsible gentle man who loved his family and friends alike...and stood steadfast by both. Even throughout the many miles and years dividing us, we maintained an everlasting friendship and wonderful memories I will forever cherish. Until we reunite with J.T. again, May our Lord Jesus Christ continue to bless and take care of Donna, Justin, his beautiful Grandchildren, and his other many friends and family.  
Godspeed, J.T. Mayo..Love ya, brother !

So many good memories of J.T. and our high school adventures especially in that GTO. He was one of the good guys and a rock who always had our back. I lost touch over the years but regularly checked in with Roger and Mike how he was doing. So sad that he has left us. Prayers to Donna and his family. I loved the guy.
