“ John “Odell” Walker, what a dear friend!! His unexpected and untimely passing has shaken us all. I've known John for over 25 years and there was never a dull moment. He had a huge heart of gold, always willing to help anyone he could. With a great sense of humor and a love for telling jokes, John had a special way of bringing a smile to your face no matter how your day may be going. He loved to surprise you with little gifts just because, no special occasion needed. He was such a giving soul. His bear hugs were the greatest, he'd wrap you in his big arms, lifting you off the ground as he hugged you. His legacy is the loving and solid friendship that we can all look at in admiration and work toward being the best version of ourselves, John, I miss watching movies with you, fixing summer squash & eating so much it made us sick, hanging at the home place, walking the dogs at the park and then washing them at Belly scrubs because you let them lay in the mud. Odell, we've had so many good times over the years, too many to mention. Thank you for being there for me thru thick and thin. John please know your life was such a blessing to so many of us. You are loved beyond words and missed beyond measure. I love you my dear friend, and I always will. To Johns family, my heart goes out to you all during this time of loss. With my sincerest condolences, April Palmer

“ I have seen Odell sooo many times throughout town, but my favorite memory of him. Was one day on east pea ridge he walked up ready to get on the bus, asked if I wanted to go out to eat I was headed to work, I politely declined lol, he said well do you like candy, I said sure. he gave me a small bag of candy in the shape of (well I'm Not going to say) and he said a joke behind it.. I told that story to many of my friends, they died laughing. He was a very good guy. May there be peace to his family and close friends!
