“ *I share your memories of Taco and mourn your loss. Taco was a special, kind, loving man that never knew a stranger. He would always greet me with a HUG and when we would part at the end of the night, he would say "Love ya, Later". If you ever said goodbye, he was quick to correct you! Your son Jon, will be sadly miss and is loved by many people around the region. My heart and prayers go out to you during your time of grief. Now, at least we know, we have a very special guardian angel watching over us!*
