“ *Dear Amy and Todd, words cannot express how I felt when Bobby told me today. Mothers, who lost their first born, at 8 months and/or in other sad similar circumstances, understand how you are feeling, in a sadly special way. The loss was years ago, but when I heard of your loss, all those feelings came flooding back. If there is anything Justin or I can do, please call. He just texted, "Please express my sympathy.*

Sorry to hear about their loss, Mom. I'm sure they have a lot of support around them now."
