“ *I went to school with Joe for three years. I saw him through the years and he would come by and tell me what he was pursuing. He had a good heart and was a hard worker, receiving his associates degree and CNA license. I thought he had more time and I am so sorry to hear of his passing.*

“ I met Joe some 8 years ago while driving cab in Huntington, we became friends and I believe God puts people in our lives for a reason. Some teach us lessons about ourselves that we may otherwise never learn. Joe was a good man whom will be missed but I know he's in a better place. R.I.P my friend.
