“ To all of the Carpenter family, I just want to express my deepest sympathy and to send my fondest memories of your beautiful, patient, and kind mother. When she and your sweet dad already had a lot of mouths to feed while living in that big house in Sohren, Germany, she made me feel like one of the family and she fed me dinner and breakfast right along with the rest of you whenever I spent the night with Joanne. I always envied your big family because your house seemed so lively and full of fun. I loved getting to spend the night at your house and stay up half the night laughing and sharing secrets with Joanne. Your mom was always so gracious and she knew how to raise a big family well because each and every one of you turned out to be pretty darned special. I know your mom is with your dad, with Joanne, and with Wayne once more- and they are all smiling down on you all, proud of the family that goes on here on Earth. Much love to you all, Myra (Irvin) Wiklund
