“ *Kenny and I did a lot of crazy things growing up Mom work at night and Dad always went to bed (with the chickens) meaning really early and we were never aloud to go out of the yard once Daddy went to bed, but if we had any loose change laying around we would gather it up and Kenny would get on his bicycle and he would ride up to 7-Eleven and and get us snacks while I stayed home and covered for him.I know we never got caught.*
