“ I knew Kennneth years ago, in the 70's when he ran an auto parts store on route 60 near I-64 beside the Exxon station. I bought a lot of parts from him and now and then would stop in just to chat with him. I really enjoyed talking to him. He liked to talk about his hometown of Midkiff, WV. I worked for a while next door at the Exxon for a while, it was a service station in those days. Lost contact with Kenneth when he left the parts place in Huntington, I think is was on Second Ave. I have often wondered about his whereabouts.I'm sorry for your loss and know he will be missed by his family.
