“ *Roxy and family, I know how hard you worked to help Kieran through issues for the past several years. Those of us who have gone through dealing with mental illness in family members can only let you now that you did all you could to support and guide your son. With a heavy heart I am so sorry that his burdens may have become too much to bear. I m with you in spirit and only a phone call away if you need anything. Much love-Lesley*
