Larry Alden Brown, 68, of Huntington, WV passed away on November 14th, after a short illness, following his recently departed wife Sue into the hereafter. “ My family and I would like to express our sincere sympathy for our cousin Larry Brown. We spent many hours as kids playing together at his house in Campbell's Creek with his parents, my parents and his brother Bobby and sister Lois. He will be greatly missed by all of his family. He was a great cousin, one that I remember fondly and will keep in my heart forever. Rest In Peace Larry and give our love to all of those that you join in Heaven now that we love and miss so much each day. You have joined them as another Angel. Love and Hugs!

“ To the Brown family: I wish to express my deep condolences on the death of Larry. I learned of this today from some Little Victories volunteers at an adoption event. I know Larry is with his beloved Sue and they are with all of their own pets and the many who were in rescue at Little Victories who have gone to the Rainbow Bridge. Our world's tremendous loss if truly heaven's gain.

“ *I worked with Larry at GC Services LP. He was my mentor for a while. Larry was always a fair man and a pleasure to talk with. I could always tell when he was stressed because he would cup his forehead in his palm. No matter how much was placed on his shoulders, Larry always had a warm smile. I have missed him and I am praying for his family.*
