“ Larry you were more like a brother than a brother-in-law but most of all you were a dear friend that I have wonderful memories of our child-hood adventures. You will always be in my mind and in my heart. Never forgotten , as you would always tell me; love you brother and take care of my little sister.

“ Love you brother...always and forever...I'm sorry Mom's wishes were not honored...it would have allowed you some comfort...if not for their unadulterated desire for greed and to hurt us...don't stress brother...I won't let you down...rest brother...
