“ We would like to express our deepest sympathy for your loss. The loss of someone close is difficult to bear. God promises a time when death will be no more and this is found at Revelation 21:4 which read: And he will wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away. I hope this brings you some comfort.

“ Its in a time like this that you wish you had spent more time with a person, especially family. I have good childhood memories and wish I had known you well as the remarkable man you became. I'm sure you're in a better place and I hope to see you again.
