“ *I have known Lawrence since 1997. We both worked together at Prestera Center. I was his neighbor at 201 Wahington Avenue from 2005 to 2010, than I moved to Colorado. I moved back a year ago. And when I went back to go see him, he no longer lived there. I tried to search for him. He was a great person, he and me always did things to gether. Went to go see his mom too. I will always remember him.*
