“ *Mrs Walker:*

I am so very thankful to have you be a part of my life for many years. We shared so many good times with lots of laughter, some sad times with shedding of tears but no bad times. You were always very good to me and I tired to be the same to you.

Over the years, I have admired your strength to carry on alone after the passing of Mr. Walker. One of the things I most admired about you was that you never allowed your disabilities to define you. You rose so high above them and I would venture to say that most people that knew you were not aware of them. You were a hard working and very proud woman and you had every right to be. Sitting and thinking about all the changes you have witnessed in your 99 years of life, just blows my mind.

Go rest high upon that mountain you good and faithful servant, I will see you again.

Love..... Yvonne

“ Aunt Lena Mary Davis Walker

*What memories of youth
The passing of someone so dear to many
Brings back to life living on a farm in beautiful West Virginia.
She was my Aunt Lena,
Living on the farm next door for several years;
Sharing canning events with Mom, thought it would always
continue.*

*Her love Uncle James too,
A finer man never passed through earth,
He and Lena, salts of the earth, raising a fine family the likes of
them.
It's difficult to realize
You knew so little about them, for life
Took you far and away but you always thought of them as Gems.*

*Oh we were rascals,
Their oldest son Roger and I,
Mischievous was our game though never really hurting anyone for sure.
But even went caught,
And we always were, we were met,
At the door with a smile that somehow for our transgressions a cure.*

*Goodbye Aunt Lena,
Uncle James is awaiting you there
Across the Golden River where we never grow old.
Your loved ones will miss you
But know now you dwell in a better place,
Where you never walk alone, and the Prince of Peace, you will
behold.*
