“ I served with Leonard in Germany,for four years,in the military police,537th M.P.company and 709th military police company. During that time in Germany he was the closest buddy to me.He was a special person.I visited him in West Virginia in the early fifties.The last time I saw him was when he visited me in Mattoon,Illinois.I took him back to Chicago,he was looking for work. Many times over the years I have tried to locate him and could not. My prayers go out to his family. He will be missed now and has been missed over the years by me. Leonard we will meet again in heaven.God be with you. Your very best bud,Mack
