“ I only knew Leroy for a few months, but you didn't need to know him long to know what a wonderful person he was. He had such a kind soul, and was very passionate about his work and his family, and he sure loved his mamma!! All he wanted to do was retire, take care of her, and spend time with his grandchildren (and family). I'm so sorry that was taken away from you all. My deepest condolences.

“ My heart is broken. I am praying for the family griving the loss of my friend. Leroy and I werer friends for many years. We had a blast everytime we were together. We would ride his bike, go listen to music and dance, go to fairs and festives and an occaional group trip. Above all else we would go out to eat. Everyone knows our boy loved to eat. I never seen him turn an opportunity down to grab a bit of something. I chreish those memories and I cherish his family. I have loved spending time with you all. I take confort in knowing we will see him again one day. See you on the other side my friend. I love you and will miss you until then.

“ My deepest sympathy and love goes to the family. Leroy was one of a kind. We’ve been good friends for a long while. He was always looking have some laughs and go have a good time someplace and enjoy life. He loved to ride motorcycles, and I rode with him throughout the years. We could always have a good time together, whether it was on the bike , listening to music, going to a fair we’re out to dinner. We all know how our boy loved to eat. I think he had a hollow leg. No matter where we were he was always up to have some food. I’m gonna miss you, my friend and all the good times that we had. I’ll see you on the other side. Love you, my friend.
