“ *I am formerly from Hgtn WV. I grew up around the corner from Linda, and my mother and Ms. Evelyn were friends. I would like to express my condolences to the family. I am a friend of Shalaun Green sister Lawrenceene and have met Roy the father also. It is comfort to know that God is with you and your family always in this time of grief. Respectfully submitted and you are in my prayers.*

“ *All that heard Linda sing and had the privileged to know a positive and special person will surely miss a very kind and gifted person. God's given singing talent, that he bestowed upon her, sent chills through people's soul and made them think about life every time she sung.*
