“ *Mom, I miss you so much. Everyday that goes by, I miss you more and more. I wish you could have the chance to meet your other grand baby, Eli Louis Seum. I wish you could have been closer to my older boy, Jonah Louis Seum. I wish I would have never left Huntington to move here, but then I would have never meet my wonderful wife Tiffany, and I would not ever had my 2 babies. Mom I wish I could have spent more time with you. The only thing keeping me going is knowing you are in Heaven and you have no more pain. Mom I miss you so much and I love you so much. I can't wait to be with you in Heaven!!*

“ I've been so worried about what the next steps would be wodnnrieg if you'd have to deliver, if you'd meet your baby, what would happen next? I've been asking people about miscarriages have you had one? do you know anyone who has? what happened? how? why? My one friend's mother found out around five months that the baby had died, but had to carry until full term and the body naturally went into labor.Does having to meet with a funeral director help with your healing process? The law give such a seemingly arbitrary time limit from one option to another. Now that you write about this I do remember when we went for Sam's 2nd ultrasound that time up to Houston, there were concerns that some decision time was coming up. I think I was 18 weeks. I have a heavy heart, Jen. Thinking about/worrying about you like crazy. Love you, Jess

“ Dearest Charlotte, Tommy, Michael, and Searles Family: Some of my fondest childhood memories are at your home or at Peyton Elementary with Lisa. We were best friends. I have moved several times since then but I regret losing touch. Lisa and your family are in my thoughts often as I remember those "fun and carefree" times of youth. I know that Lisa and I will relive those times in Heaven upon our reunion there. Lisa's faith and her strength were an inspiration to me even as a child, and I know she was to all who knew her and loved her. My prayers for God's peace and comfort at this sad time for you; may He wrap you in His loving arms. In Christ's Love, Linda (Burch) Jacobs

“ Dear Bro Tommy and Sis Charlotte,
I am very very sad to learn of your loss, the passing of Lisa. She was the first friend I made when I first came to Huntington. I do wish I could have been there for both of you, (working out of town) and for that I'm truly sorry. The toughest test or trial any parent could ever face would be this, the loss of a child.
On more than one occasion, I thought I'd have the same circumstance to face. The difference though is Lisa was ready. So please take comfort and I know you will, in knowing that it doesn't end here. She will rest, until the trumpet sounds on that great gettin' up morning, the grave will not hold her. She will rise to meet the Lord in the clouds and be reunited with her loved ones once again.
And as parents you can take pride in knowing that you did your job. You got to watch first hand at an early age, how God molded and shaped Lisa's life until it became a rose for the Master.
I love you both.

“ Tommy, Charlotte, & Mike - So sorry to hear about Lisa. Lisa, Mike, and all of the cousins were like my cousins growing up at the church. I loved them all. I can only imagine the joyous reunion Lisa is having in Heaven with Jesus, all of her Grandparents, David, and Marc. I can just see them all rejoicing on the streets of gold. We will miss her here but know that she has went on to her reward and is wearing her bright new crown. Soon and very soon, we will all get to join them as the Lords coming is so near. You and your family are in my thoughts and prayers. I love you all.

“ Lisa was one of my best friends growing up. I love her dearly and regret that we lost contact with each other through the years. She was always brave. I remember having tea with her shortly after her transplant. She made me smile with her new tea set. I know she is making God and his Angels smile right now. We will all see her shortly. I love and miss you all. You are in my thoughts and prayers.

“ I have been a patient of Dr. Woodruff's for years & only knew Lisa from seeing her there, but it was clear that she was truly a good, good person.
