“ *I only just met Linda and Terrill, Lito's parents, and found out about his passing. I visited them on a service call to their apartment and we became acquainted. I recognized Lito's picture as the sweet, always kind Kroger employee who always smiled at me as I walked out of the store. I wish to express my deepest sympathies and I pray that God may bring his family peace during this difficult time. I also pray for Mrs. Maria Hager's good health in the coming days. May God Bless you all continually.*

“ To my brother who is the most gentle, loving, caring, and generous person I know. We were best of friends not out of circumstance or convenience, but just 100% pure love for one another. I love how sweet and loving you were to my kids. I know many things may change in my life, but the bond that we had will always stay the same. My mind knows you are in a better place, no more pain from seizures, I understand that in my mind, I just wish my heart can understand it too. You will always be with me in my heart.
