“ *Ms. Turner was my best childhood friend's Mother. She also lived two doors down from us. I spend a lot time in her presence. She always was a beautiful soul. and she had a smile that was contagious. She was always there to help someone in need. She was one of a kind. Many years after she had moved away, she would continue to reach out to my Mother when she was in town. She never forgot their friendship from the neighbor years. I loved her then and I love her now. She will be missed by many but I know she will be ecstatic to meet Jesus and of course her husband Bud that she was crazy about and committed to. God Bless Kathy and Steve through these days and the days ahead, my childhood playmates who give me many good childhood memories.*
